OUT ON THE COURSE

Winter Course Set Up

As of Monday, 1st November the golf course is now playing in the winter set up. This means that there will be a number of winter tees in play, some of which will be grass and some mats. In addition, all approaches to the greens will be roped off and we must therefore politely ask you to use paths wherever possible and leave trolleys, buggies and golf bags on the paths and walk to the greens.

Buggies

It is our intention to continue the use of buggies throughout the winter months. In order to achieve this however, it will be necessary to introduce some rules for buggy users, as well as implement a buggy route around the course.
